of all the States/UT Administrations

Subject: Facilitation for the vehicles whose ownership type is Divyangjan.

Sir / Madam,

Kindly find attached notification G.S.R. 661(E) dated 22.10.2020 which contains amendment in Form 20 of the Central Motor Vehicles Rules (CMVR), 1989. With this notification Divyangjan have been categorized as ownership type. Form 20 of the CMVR 1989 provides for application for registration of a motor vehicle with the ownership of a vehicle in the name of the categories as mentioned at Sr. No. 4A of the form.

2. The attention is also invited to the advisory issued by the Ministry No. RT-II021140/2014-MVL dated 14th June 2016 regarding Procedure for guidelines for grant of driving licenses and registration certificates to differently abled persons. The vehicles with Automatic gear have been considered suitable for driving by some of the Divyangjan without altering the vehicle.

3. In order to facilitate Divyangjan, the various exemptions / facilitation / relief provided by the State Governments in respect of Invalid Carriage vehicles may also be extended for these vehicles owned by Divyangjan.

3. This issues with the approval of the Competent Authority.

Yours faithfully,

(Dr. Piyush Jain)
Director (MVL)

The process of converting the vehicle ownership to ‘ Divyangjan’ in the RC

A) CASE I: WHILE BUYING NEW VEHICLE (DIVYANGJAN category)

The applicant needs to inform the showroom/dealer during registration of vehicle with RTO to fill up FORM 20 wherein it should be specified Ownership type: DIVYANGJAN. If the applicant has sought GST concession from Dept. of heavy Industries (Motor vehicle division) then it should be specified in FORM 20 alongwith concession certificate attached. In this case the ownership type will be DIVYANGJAN (with GST concession). Else, it would be considered DIVYANGJAN (without GST concession).

B) CASE II: IF EXISTING VEHICLE IS REGISTERED OTHER THAN DIVYANGJAN

The applicant needs to visit the nearest RTO and meet the RTO inspector and inform that a correction w.r.t ownership type is to be made as per MoRTH circular dtd 13.11.2020. Further the applicant has to fill up a form named: Application for typographical correction. There is a possibility that this form can have different nomenclature with different RTO. Here in this Application form the applicant needs to mention that his/her existing ownership type is INDIVIDUAL and it needs to be corrected to DIVYANGJAN. Applicants also may be asked to write a separate application indicating change of ownership type, if required. Further upon attaching valid latest disability certificate the clerk, senior clerk and RTO inspector will approve the case. The same will be reflected in PARIVAHAN portal immediately. Next the applicant will have to apply for change of address on the PARIVAHAN portal. This change of address is only to be applied to get revised RC issued with revised Ownership type. During this application the address is to be kept the same as earlier. A total Rs. 500.00 will be the charges applicable.

C) CASE III: FOR REGISTERING AS INVALID CARRIAGE (ADAPTED VEHICLE)

The Motor Vehicles (Amendment) Bill, 2016 has replaced the term “ invalid carriage” with “ adapted vehicle” .

All DIVYANGJAN can register their vehicles as INVALID carriage if their vehicle is modified specially. This is to be done at the time of buying a new vehicle and before registering with RTO the modification should be done.

After obtaining the RC-SMART card in all above three cases, the applicant needs to visit (<https://nhai.gov.in/#/>) . Here the applicant will find an Exempted Fastag application link. OR applicant can directly visit (<https://exemptedfastag.nhai.org/Exemptedfastag/>). Here first time users need to register at the NHAI portal with their name, email, mobile etc whereafter applicants will be provided with Login id and password.

At the time of login, applicants needs to keep following documents ready:

1. Upload form: This form is available on the left side corner wherein details pertaining to vehicle and applicant are to be filled and a passport size photograph to be attached.
2. RO office (Regional office): This is the district office of NHAI. Applicant needs to select his/her RO office of respective state from the drop down menu.
3. Applicants have to select exempted category from drop down menu i.e Mechanical vehicles specially designed and constructed for use of a person suffering from physical disability or registered with ownership type as DIVYANGJAN as per Motor vehicle act 1988.
4. Further applicants have to attach a Scan copy of RC, ID proof(PAN/AADHAR/PASSPORT),Proof of exemption (Disability certificate), scan copy of upload form as per sr. no.1 above. All file size should not exceed 2MB
5. On submitting the same, an application number will be generated and will be processed by respective RO office of NHAI. If there is any discrepancy in application/documents the same will be rejected and informed on portal. Applicant has to resubmit the same after corrections.
6. If application/documents are in order then the same will be approved and exempted FASTAG will be made ready. Applicant has to himself/ herself, or through his/her authorised representative , collect the same from the respective RO office where the application was made.
